Martin Luther King Jr. MARXIST TOOL & RACE AGITATOR

By Sam Crockett

On Jan. 1, 1958, the power-crazy Negro "leader" Rev. Martin Luther King, Jr. led a "Pilgrimage for Public Schools on Emancipation Day" march on Richmond, Va. The Va. branch of the NAACP and the Congress for Racial Equality (CORE) co-sponsored the march. This school integration propaganda gesture is another in the long series of racial agitation activities led by King, and as usual was reported in the *Worker*, 12/21/58, p. 16, with full approval by the Communist Party's official organ.

Let's take a good look at King's record since he was picked as one to "lead" the Negroes down the crimson path to a Soviet America.

"Over the Labor Day weekend (8/30 to 9/2/57), Highlander Folk School, at Monteagle, Tenn., staged its 25th anniversary seminar on 'the . . . integration struggle.' Notorious communists, veteran communist fellow travelers, and Negro leaders in all the recent major incidents attending integration were present at the seminar . . . (This) School was organized by . . . Don West." West was District organizer of CP of No. Carolina. This school is actually a Communist Training School. The closing address at this seminar was made by Martin Luther King. Pictures taken at that time show him together with Abner Berry, Negro member of the Central Committee of the Communist Party and columnist for the *Daily Worker*. Pete Seeger, participant in the N.Y. State Youth Board of the CP (*Daily Worker*, 2/22/49) and long time CP member, entertained the delegates.

King is president of the Southern Christian Leadership Conference and led the Montgomery Boycott and the March On Washington, the latter with Bayard Rustin his manager, who, according to the *Daily Worker*, attended the 1957 convention of the Communist Party.

"Leading Communists have been writing enthusiastically about King's movement . . . the Party looks upon King's work and movement as a new opportunity to incite racial animosity." (See additional data from which foregoing quotations were drawn in the folder on Highlander Folk School and Communism and the NAACP, Vol. 1 & 2, Ga. Comm. on Education, Atlanta, Ga.)

King's manager, Bayard Rustin, is listed as a member of the Editorial Board of *Liberation* (April 1956; Jan. 1957 issues). This is a pacifist-anarchist publication. Its contributors included typical communist-fronters Norman Mailer, Dorothy Day, Lewis Mumford, Pitirim Sorokin. A. J. Muste, infamous pacifist, communist-collaborator, also is listed on the Editorial Board. Martin Luther King contributed an article to the April 1956 issue in which he stated that "The extreme tension in race

Martin Luther King Jr.

in part by the revolutionary change in the Negro's evaluation of himself Ruskin contributes another article and is identified as having "had many years of direct experience in racial conflicts in the South." In 1946 he served a sentence on the chain gang in N. C. for refusing to sit in the Negro section of a bus. He went to India in 1947 and Africa in 1953. He is an expert on civil disobedience. The title of his speeches delivered in Africa and U. S. was "AFRICA AND THE WORLD STRUGGLE." Bayard Rustin was sentenced to 60 days in jail as a sex pervert in Pasadena, Calif., January 22, 1953 by Judge H. Burton Noble.

The Youth March for Integrated Schools to Washington, D. C., 10/25/58, was another of King's activities. He was co-chairman along with veteran Communist-fronter A. Philip Randolph, Roy Wilkins of the NAACP, who also has a record, and committee member Algernon Black (66 fronts), George B. Ford, Harry Fosdick, Milton Galamison (Brooklyn NAACP head), Clarence Pickett, James H. Robinson, Bayard Rustin, all of whom have front records. (See Call) Three bus loads of Communists from the cited Communist N.Y. Teachers' Union participated in the March (N. Y. Teachers News, 10/18 & 11/1/58). The *Worker* (11/2/58, p. 3) reported the March with the heading "Rev. King said: The Oppressed Always Marched For Freedom" accompanied by a picture of Mrs. King, who delivered the speech for her ailing husband. The Youth Pledge of the Marchers was reprinted in its entirety by the *Worker*. The entire front page of this issue and 14 columns of print were devoted to the March, May 17, 1959. Communist-fronter Harry Belafonte was a speaker to the Marchers. The *Worker* stated (p. 15) that

"Large numbers of the Left (Communist) forces actively aided in mobilizing support for the Youth March and were in vast audience." Challenge, official publication of the Young Peoples Socialist League (11-1-58) headlined the story and pointed out that the Marcher's White House Student delegation leader and 14 of the main youth organizers were members of the YPSL.

The N. Y. Post (7-11-58) reports an interview with King by Mike Wallace (Myron Wallik ☆) in which King asserted "I'm sure that integration will lead to inter-marriage. I don't deny that . . . Many of the most violent segregationists in the South have fathered children with Negro women—and their guilt makes them scream the loudest!"

The Communist National Guardian, 10-20 58, p. 8, carried a paudatory review of King's book "Stride Toward Freedom."

While autographing copies of this book in a Jewish department store in Harlem, King was stabbed in the chest by a Negro woman who resented his integration activities and yelled as she stabbed him "You made enough people suffer in the last six years." (N.Y. Journal American, 9-20-58). With King was the Yiddish Communist-fronter, President of the NAACP, Arthur B. Spingarn (☆). The woman also stated that Rev. King has ruined my life; he is no good; the NAACP is no good, it's Communist. (N.Y. Amsterdam News, 9-27-58, p. 11)

The *Daily Worker*, 3-10 & 14-57, described the celebration marking the birth of the Communist-run Negro state of Ghana in Africa under the premiership of Communist Party member Kwame Nkrumah. Soviet representatives were present: Communist W. E. B. DuBois (72 Fronts) was invited by Nkrumah; Cedric Belgrave, CP member, was present; Communist-fronter A. Phillip Randolph and identified Party member Ralph Bunche were there, and so were King and his wife.

The one organization in this country which has been supporting the South African communists traitors currently on trial is the American Committee on Africa. An 11-7-58 letterhead shows King listed as a member of its national committee, along with a long list of communist-fronters: John Gunther (☆), Oscar Hammerstein II (☆), Will Maslow (☆), identified Communist Party member Alex Meiklejohn (☆), Reinhold Niebuhr, Sidney Poitier (☆), A. Philip Randolph, Mrs. FDR, Rex Stout, Channing Tobias (50 Fronts), and about three dozen more. A Jan. 11, 1956, letterhead shows Bayard Rustin on the Executive Board (Also 1957 letterheads.)

The 1958 CORE (See above) letterheads show King on the National Advisory Committee along with red-fronters Roger Baldwin, Will Maslow, A. J. Muste, A. Philip Randolph, Ira DeA. Reid, and Goodwin Watson (82 Communist fronts)

JEW STIR UP NEGROES

AL. LEVENSTEIN(☆), delegate from So. Africa to U. N. photographed while speaking to negroes March, 7, 1960 in Montgomery, Ala. Although a citizen of a foreign country, this Jew is traveling over our southern States sowing discord and confusion among our citizens. As the **PROTOCOLS** state, Jews will turn classes and races against each other so that confusion reigns while the Marxists spring the trap as they have already done in 17 other countries.

WEED OUT THESE RED VOICES

DOES N. Y. TIMES LEAD PARADE OF RACIAL CHAOS IN SOUTH?

What is really behind the current racial turmoil in the U. S. South? We have only to tear off the camouflage and sure enough—we find the same old pack of weasels hiding beneath in their lair and again instigating all the confusion and chaos.

On March 29, 1960 a full page ad entitled "Heed Their Rising Voices", appeared in the notoriously pro-Zionist N. Y. Times, soliciting funds from unsuspecting Americans, for a newly created "Committee To Defend Martin Luther King And The Struggle For Freedom in The South."

This ad has since been denounced by a host of prominent Southern officials, newspapers, citizens, and Alabama State College which was attacked in the ad. According to dispatches, authorities at the college said "There was not a modicum of truth in the statement." Alabama Attorney General, Macdonald Gallion, was reported to have charged that the ad contained "vicious, unfounded and malicious lies." The Attorney General is said to be considering legal action against the ad's sponsors. The Montgomery Advertiser said in an editorial that the advertisement was replete with "lies and crude slanders." Alabama's Secretary of State Bettye Frink was quoted as saying that the signers of the ad "should have warrants served on them."

Indeed they should; for the list of signers of the statement supporting King, himself neck deep in perjury indictments and possible income tax evasion charges, is so infested with known communist-fronters that it would practically require a derrick to rake them all out.

There are sixty signers of the ad. The communist-fronters have a total of at least 400 citations. These include notorious Langston Hughes with 73 communist-front citations, A. Philip Randolph with 38, Marc Blitzstein with 24, and, of course old red-lie Eleanor Roosevelt with 56.

American Committee on Africa

FOUR WEST FORTIETH STREET, NEW YORK 18, N. Y. • LA 4-9738

June 19, 1959

George M. Houser
Executive Director

Dear Friend:

Responsibilities which have fallen to the American Committee on Africa have been unusually great this year. Tom Mboya, Kenya's African leader, just completed a nation-wide speaking tour under the auspices of the Committee. Almost 3000 people attended the Committee's celebration of the first Africa Freedom Day at New York's Carnegie Hall on April 15. \$15,000 has been sent through the South Africa Defense Fund since January (making a total of almost \$50,000 since 1957) to help the treason trial defendants.

The enclosed report gives more details on these and other recent activities of the Committee. I believe you will be impressed by the amount of work our small staff has been able to carry on. But the demands on the Committee are such that further staff expansion is necessary, and I am happy to announce that Dr. Homer A. Jack is joining the staff as Associate Executive Director on July 1.

Dr. Jack is widely known for his keen interest in and knowledge of African affairs. He has traveled in Africa three times, most recently as a representative of the Committee to the All African People's Conference. He attended the Bandung Conference in 1955 as an American correspondent. He has written and spoken widely on African and Asian developments and American responsibility in relation to them. He was able to make his trips to Africa and Asia while serving as minister of the Unitarian Church in Evanston, Illinois. For five years prior to his church work, he was Executive Secretary of the Chicago Council Against Discrimination, a citizens' organization pioneering in problems of civil rights.

The Committee is very fortunate in having Dr. Jack join its staff. He and George Houser will form an excellent team. But the decision to invite Dr. Jack to join the staff, while a necessity, was also an act of faith, as was the original founding of the Committee. The continuing work of the Committee depends upon your support.

I urge you to justify this act of faith by making your present contribution to our expanding program as generous as you can.

Sincerely yours,

Donald Harrington

NEW YORK MARXISTS DIRECT RACE RIOTS

CENTER FOR AFRICAN STUDIES

SANFORD GRIFFITH, Director

Opening: Tuesday, September 24, 8:30 P.M.

The courses listed in this leaflet inaugurate the development at the New School of a meeting place for the study and exchange of ideas about Africa, an area vital to the world both for the collaboration of its peoples and for its vast undeveloped resources.

Our knowledge about Africa has come mainly by way of Europe, and has emphasized what outsiders might gain from its resources. There is much European colonial history about Africa, but, except for a few areas, very little is known about the history of the African nations themselves to which not a few American citizens are proud to claim connection. Also too little is known about the African people, their ways of life, and about what they themselves want as they confront the future.

These courses aim at giving a basic orientation in African history and geography, and in current social and economic developments. Special emphasis is given to the concerns of those who contemplate some firsthand contact with Africa and of those who have a more general though personal interest in African affairs, including Negro Americans who desire to know more about their racial origins and about life and its opportunities in Africa.

Opening Meeting

Following the meeting, there will be a reception and exhibition of African Art (7th floor).

MARXIST ARE OUT TO END THE WHITE RACE

THE CAT IS OUT OF THE BAG!

Below is an Associated Press dispatch from England dated Feb. 15, 1960:

HELP BREAK COLOR BAR, QUEEN URGED

NEWCASTLE - ON - TYNE, England, Feb. 15.—A Presbyterian clergyman today urged Queen Elizabeth to encourage her children to make interracial marriages.

This, said the Rev. William

H. Barbour, 47, would set a Christian example and help solve the color bar.

Writing in his parish magazine, the minister added:

"Christian people must not be unwilling to marry Chinese, Indians or Africans or we shall never solve the color problem.

"It would be a wonderful help and inspiration if our royal family, who are themselves good Christians, would give a lead to us, their subjects, and fellow Christians.

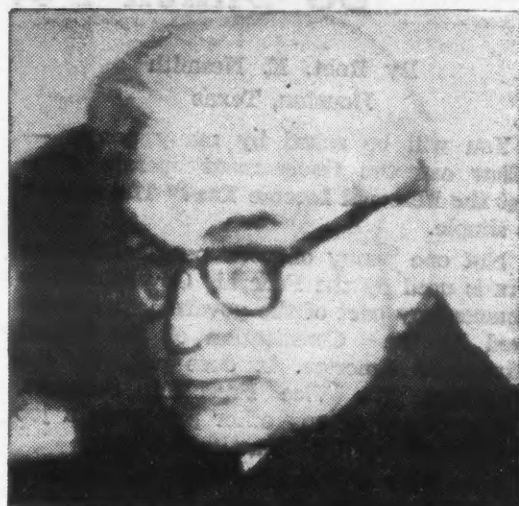

"It would make a wonderful difference if our royal family would themselves think about marrying colored people."

The NEW YORK TIMES of Feb. 15, 1960 headed an article "MINISTER URGES STORE BOYCOTTS" — "DECRIES SEGREGATION POLICIES OF KRESS AND WOOLWORTH STORES IN SOUTH."

The article quotes Reverend Harrington of Community Church of New York, 40 East 35th Street.

Rev. Harrington told the Congregation that "segregationists were correct in one of their 'more emotional concepts' — that the ultimate goal of integration is intermarriage."

SPY TRAPPED IN OFFICE OF "COMMON SENSE" 3-14-60

SANFORD "Sandy" GRIFFITH, alias Otto Kollmar, Al Scheffer, etc. Top ADL spy.

GRIFFITH is one of the main wheels in the Marxist combine of American Committee on Africa and New School for Social Research, New York City.

These two organizations train speakers to go into Africa and our southern States, where they stir up discontent and hatred among Negroes who do not realize they are being regimented by Marxist Jews to be used as a pressure block. Little does the Negro realize that under communism he will exist under worse slavery than before the Civil War. Just as the working men in Hungary were promised a new life under communism, after they helped set it up and asked for recognition they were slaughtered.

Fifteen lectures "Social Changes in Emerging Africa" conducted by Sanford Griffith at New School for Social Research, 66 West 12 Street, N.Y.C. . . . Every Wednesday night 6:20 to 8 P.M. . . . \$1.00.

We list five of them:

Feb. 17, 1960: "Color as a Political Irritant in the U.S. & South Africa."

March 6, 1960: "Israeli and Arab Competing Influences in Emerging Africa."

May 4, 1960: Debate—"A Comparison between Government & Free Enterprise Projects in Africa Development."

May 11, 1960: (1) "Current Social Problems in Egypt & Nasser's Revolution."

(2) starting 8:30 P.M.—"Discussion of International Effort toward Co-Existence Inside Africa, Multi-Regional Area Algeria, Kenya, So. Africa."

Adam Clayton Powell, U.S. Congressman from New York, appearing on the Mike Wallace's television program Channel 13 at 11 P.M. Friday, March 20, 1959 made several significant statements.

Powell stated that in New York City 64% of the school population are Negroes and Puerto Ricans; 50% of the city population is Negro and Puerto Ricans; that in the U.S. 28 million whites have Negro blood and 70% of the Negroes have white blood. When asked by Mike Wallace what he thought was the best way to solve the race problem, Powell quoted an educator at Harvard University as stating that intermarriage would solve the race problem.

38 Billion Down A Rat Hole

By Robt. E. Nesmith
Houston, Texas

You will be asked by many people — "How can the Government operate without the Personal Income Tax?" The answer is simple.

Not one penny of your personal income tax is used by the Federal Government to finance any part of the government authorized by the Constitution of the United States of America. It does not pay the President, the Vice President, Senators, Congressmen or any other person on a job authorized by the Constitution.

Now here is how it is used. In excess of \$6 billion is used to pay farmers to grow more wheat, corn, cotton, tobacco, etc. than the public can consume; and they are also paid for not farming. In excess of \$5 billion per year is used as so-called Federal Aid to states, which has been one of the tools used by the Federal government to destroy the sovereignty of the states. Approximately \$4 billion per year is being used to construct in foreign countries highways, airports, shipping canals, and to build plants in foreign countries which are competing with American private enterprise and with no investment in their plants. It is used to finance the TVA program and the TVA Fertilizer program which compete with private enterprise.

It is used to finance over 700 Government owned corporations that are split into 3,000 companies, and each competes with every known phase of American private enterprise, and this is done **TAX FREE, RENT FREE, OVERHEAD FREE** and with no possibility of loss, they just **RAISE OUR TAX**. The value of these government-owned corporations is estimated from 50 to 100 billion dollars, and if these were sold to private enterprise, this amount of money could be deducted from the national debt, and these same corporations would go on American tax rolls, paying corporation tax, county tax and school tax; thereby helping to finance all local issues, and since it would eliminate the annual loss of 38 billion dollars, which is the exact amount of personal income tax paid, the personal income tax can and should be abolished.

It is estimated these corporations would pay corporate income taxes to the Federal Government in the amount of 8½ billion dollars per year, and this could be used to reduce the debt annually, and through the repeal of the 16th Amendment, the United States of America could and should be debt-free within a period of 25 years.

THE SOMETHING FOR NOTHING BOYS MEAN SOMETHING FOR THEMSELVES AND NOTHING FOR YOU.

Listed below are 31 of the over 700 government corporations showing their losses. These compete with taxpaying private enterprise and are destroying the natural and needed growth of business to provide jobs for an expanding population. All should be sold to private enterprise, or eliminated entirely.

Losses indicated in
FACT SHEET to date \$34,643,808,410.

Question No. 2 is: "Where will the government get its money to operate on? The answer is Section 8 Article I of the Constitution: "The Congress shall have the power to lay and collect taxes, duties, import and excise to pay the debts and provide for common defense and general welfare of the United States, but all duties, import and excises shall be uniform throughout the United States."

(a) Duties are custom taxes; import and export.

(b) Excise are sales; cigarettes, amusement, corporation and business.

These bring in 48 billion dollars per year, now, which more than meets the needs of government, if the government got out of business.

Archbishop C. C. ADDISON SPEAKS

In the New York Age, Saturday, Feb. 20th issue headline, "Walk Together Children," with a picture of a picket outside the Harlem Woolworth store on 125th St. marching in protest against the national chain's bias policies in the South. This spectacle proves my statement in the Herald-Dispatch February 13, 1960, that the fountain head of the intoxicated organizers of these destructive mobs are in the North. This wild propaganda is spreading like wild fire throughout the South. It proves the destructive education the Negro is getting in the classroom in America. Negro students have been trained to hate themselves to the extent that they want to get away from self. There is no people on God's earth that want to associate with a people that hate themselves. There is no law between heaven and hell that can compel them to do so.

Why should the Negro die a fool? (Prov. 26:3) Fools because of their transgression, and because of their iniquities, are afflicted (Psa. 107:17). Has he not served America and the world? Has he not borne the burden of civilization in the Western World for three hundred years? Has he not contributed of his best to America. Surely all this stands to his credit. But the Heavenly Father has spoken, "Let My People Go," into industry enterprises of their own.

Yes! A seat side by side with the white people will dispossess the American Negro in the South of all the business that he possesses, and become an economic slave in the South just like they are in the North. Why will you die an economic death just for a seat side by side with white people? The white man is doing the Negro a favor when he refuses to sit aside of him anywhere, the Negro is doing himself lots of injustice when he tries to force his way on the white man anywhere.
